

Why Vaccinate at Ash Veterinary Surgery?

... because we believe that a quality vaccination is vital for your pet. And we promise the quality service your pet needs!

At Ash we use the latest range of vaccines which will **protect**:

- ✓ Your dog against **eight** diseases.
- ✓ Your dog against kennel cough
- ✓ Your cat against **five** diseases
- ✓ Your rabbit against **two** diseases
- ✓ Your pet against rabies if needed

At Ash you get more for your money. Because we only want the best for your pet, vaccinations are only carried out after a full health check.

When vaccinating your pet you also get:

- ✓ Time to discuss your pet with a vet
- ✓ A free six month follow up consultation with a nurse
- ✓ Discounted *top of the range* wormers to help keep your pet fit and well

At Ash our Vets are supported by a team of fully trained & qualified Veterinary Nurses. The nurses who look after your pets have undergone 2 years of intensive training and examinations with the Royal College of Veterinary Surgeons before becoming Listed Veterinary Nurses

Now that's peace of mind & real value for money!
